**Your Babycare Bible: Your Complete Guide to the Baby and Toddler Years: Raucher, Dr. Harold: 9781616281489: vivchar.tom.ru: Books**

The main reason I bought this book was because I wanted literature on how to give herbal remedies to my baby if he were to catch a cold or the flu. It is a book you can easily flip through and dip in and out of as and when needed.

**Babycare: Everything you need to know: Peters, Ann: 0690472071686: vivchar.tom.ru: Books**

This easy-to-read guide to baby care covers all the skills you will need from the moment your child is born up through their first, formative year.

**New Babycare Book : A Practical Guide to the First Three Years: Stoppard, Miriam: 9780751336092: vivchar.tom.ru: Books**

A father of two, Dr. I just expected something else from this book, since the title made me think there would be a lot more recipes and techniques for taking care of BABY naturally.

**Babycare: Everything you need to know: Peters, Ann: 0690472071686: vivchar.tom.ru: Books**

Although the task may seem daunting, Babycare: Everything you need to know gets straight to the point, thoroughly demonstrating what other books only tell you.

**New Babycare Book : A Practical Guide to the First Three Years: Stoppard, Miriam: 9780751336092: vivchar.tom.ru: Books**

The creators of the bestselling Your Pregnancy Bible have created a photo-illustrated, all-in-one resource on caring for babies and toddlers—giving you fast and easy access to expert advice.

## **Books**

I absolutely love this book. It is not preachy in any way.

### **Babycare: Everything you need to know. Peters, Ann: 0690472071686: vivchar.tom.ru: Books**

In this informative guide to natural baby care, Colleen Dodt offers easy-to-follow aromatic recipes that make creative use of herbs and essential oils while avoiding harsh chemicals. It also didn't go into detail with the topics discussed and that was very disappointing.

### **Babycare: Everything you need to know. Peters, Ann: 0690472071686: vivchar.tom.ru: Books**

This book has some really good ideas on how to care for your baby and his environment without the use of heavy chemicals that are found in most of our commercial products.
