Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The work is adapted not only to general use, but to reading and recitation in schools, and the opportunity which the subject offered for occasional reflections and remarks, tending to cultivate feelings of humanity towards domestic, as well as other animals, has not been neglected. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
