At the same time, the article's protection is limited in that it only prohibits discrimination with respect to rights under the Convention. The Convention for the Protection of Human Rights and Fundamental Freedoms, better known as the European Convention on Human Rights, was opened for signature in Rome on 4 November 1950 and came into force in 1953.

**European Convention on Human Rights**

France 2000 29 EHRR 403 at para.

**European Convention on Human Rights**

As we wrap up another great year of progress and wins for the citizens of Europe, we're excited to begin a new year, with new goals and aspirations.

## **Glossary of summaries**

In the Court ruled that a law which still classified post-operative persons under their pre-operative sex violated article 12 as it meant that transsexual persons were unable to marry individuals of their post-operative opposite sex. Currently all Council of Europe member states but three have ratified Protocol 13.

## **European Convention on Human Rights**

It was the first instrument to give effect to certain of the rights stated in the Universal Declaration of Human Rights and make them binding.
