## L'Archeologo. Dalla formazione alla professione

Deescalation to West and Escalation to East 4. There are more than 15 universities worldwide that now offer degrees in underwater archaeology or a directly related field, such as maritime studies or naval history, and their numbers are growing. Underwater archaeology shares the same methodology and principles as archaeology carried out on land sites.

## Forging the Crown: A History of the Kingdom of Bithynia from its Origin to Prusias I by Eloisa Paganoni, Paperback

A good majority of job opportunities is also there in the Government sector.

## Careers and Jobs in Underwater and Nautical Archaeology

È stato corrispondente per la Campania delle riviste Archeologia 1987-1992 ed Archeo 1999-2003 ed è consulente scientifico del periodico ArcheoNews. It has been more than 100 years since it sank, and 33 years since it was rediscovered.
