

Asymptotic combinatorics with applications to mathematical physics - a European mathematical summer school held at the Euler Institute, St. Petersburg, Russia, July 9-20, 2001

Springer - Asymptotic Combinatorics with Applications to Mathematical Physics: A European Mathematical Summer School held at the Euler Institute, St. Petersburg, ... 9

Description: -

Italian literature -- 20th century -- History and criticism

Italian literature -- 19th century -- History and criticism

Folk literature, Japanese -- History and criticism.

Mythology, Japanese.

Kojiki.

Ward family

Baldridge family

Mathematical physics -- Congresses

Asymptotic expansions -- Congresses

Combinatorial analysis -- Congresses

Asymptotic combinatorics with applications to mathematical physics - a European mathematical summer school held at the Euler Institute, St. Petersburg, Russia, July

9-20, 2001

-

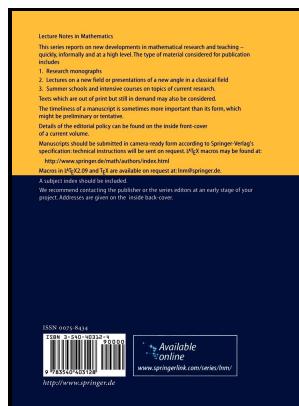

Kojiki kenkyū taikei -- 8

Lecture notes in mathematics (Springer-Verlag) -- 1815.

Lecture notes in mathematics -- 1815 Asymptotic combinatorics with applications to mathematical physics - a European mathematical summer school held at the Euler Institute, St. Petersburg, Russia, July 9-20, 2001

Notes: Includes bibliographical references.

This edition was published in 2003
