Polco Sailing Cruises

Our team comes from backgrounds in technology and public service and want to make combining those two areas an easy and empowering for your city staff and your citizens.

Polco

Polco

For larger cities, we also provide the ability to bulk upload agenda items from their legislative management system. POLCO gives city staff and officials results and analytics. We provide city officials and city staff with insightful real-time data and civic analytics.

Polco

Overview: POLCO is an advanced civic engagement platform with authentication and analytics designed for local governments. Polco Sailing is an award winning cruise operator and private charter company established in 1985, and based on the island of Milos, in the beautiful Cyclades since 2002.

Polco

Citizens get agenda items, multiple choice, and budgeting polls to help city officials throughout the legislative process discovery, formulation, adoption, implementation.
