for Black workers that are not afforded the same opportunities and considerations as their White counterparts.

Health Disparities by Race and Ethnicity

They fire so many shots that at least one of them will hit the target. They put time and effort into a few carefully placed shots.

The Negro Problem

So long as ignorant leaders, either religious or political, can keep control there is undoubtedly danger. Now we have no money, no food. Some are more r and others are relatively more K.

The Negro Problem

I have often noticed the varied types among the eight hundred youth who are taught at Hampton: there are black skins with European features, blonde or even auburn coloring with African noses and lips, but neither color nor features seem to be decisive. The gradations of this power mark the limits between savage and civilized man. And all these conventional arguments neglect the elephant sitting in the middle of the room: if black students who try to achieve in school get sharply teased for it and threatened with ostracism, why would we not expect this to be the main cause of their academic underachievement? The inspirational power of the sexual impulses is the greatest gain our race has made out of all its past.
