With new documentary evidence, Jeal explores the very nature of exploration and reappraises a reputation, in a way that is both moving and truly majestic. Enhanced with a map and over 70 illustrations, the 'Journal' will appeal to any reader who enjoys firsthand accounts by the great explorers of adventures and accomplishments in far-off lands. Mystery of the Nile is just such a film, as heart-pounding an adventure as the spectacular Everest, which set the benchmark for IMAX productions.
