But a Pharisee in the council named Gamaliel, a teacher of the law held in honor by all the people, stood up and gave orders to put the men outside for a little while. It is what audiences walk out with, and a powerful final scene can make up for some shortcomings earlier in the show.

**Acts 1 NIV**

Although it was directed by the great Gower Champion, this incoherent mess died a quick death. Of course, the same can be said for Phantom's lyricist, Charles Hart.

And, despite Alan Jay Lerner's denials, Brigadoon was based at least partially in part on Friedrich Gerstacker's German tale Germelshausen. The main requirement is a story that allows characters to experience a wide range of emotions. The very look of it made me thirsty.

**Death of a Salesman**

Having a great song helps many musicals reprise one of their best but the book writer must structure the play so that the last scene packs a genuine wallop. Though this is a comedy, she plays the character as the semi straight-man role and it makes the film, because it lets the other characters around her like Holly Hunter, Kevin Sussman and Stephen Tobolowsky in particular shine in some of the funnier parts. I would define a scene in terms of 3 components: Formation, Interaction, Dissolution.
