The 7 Best Self

Her honest, conversational, no-BS tone will light a fire in your soul and help you be upfront with yourself about what you want from life. The huge aha for me from the book was the sudden realization that Christianity itself is a patriarchy. As someone who also worships celebrities who lived and died light years before I was born, and as someone who collects words and phrases written by others in scrapbooks, I can truly say—Love Letters to the Dead punched me in the heart.

It was at that time that I read Love Letters to the Dead, a YA novel that has frequently drawn comparisons to.

7 Books That Helped Real Women Through A Midlife Crisis

The exercises also drive home the points Sincero makes through her writing.

9 Books That Have Helped Me Cope During My Saddest Times

They became the new mirror I could see myself in, and the guidebooks leading me to where I wanted to go next. At the time, I felt torn between the person I had been and the person I was now becoming—a tension Adichie beautifully encapsulates in Americanah.

Tell Me What Good Books Have Helped You Most

In the down periods of my chronic illness journey with lupus, I noticed connecting with others who were on a similar life path typically brought me out of my slump. Recommend a Good Book to Me.

19 Book Suggestions for When You're Feeling Sad, Upset, or Alone

Not long after, I picked up the Kunhardts' book on one of my mom's and my many trips to the Smithsonian's National Museum of American History.

The 10 Best Books To Help You Figure Out Your Life

If you name To Kill a Mockingbird or Hamlet, you'll sound as if you've never read anything but assigned books.
