### Tom Osborne

There were probably about 300 guys there. Worth mentioning is that Nick Saban currently the head coach of Alabama was head coach of Michigan State at the time and coming off a season as defensive coordinator of the Cleveland Browns, who had the least points allowed that year. They had a tremendous amount of commitment.

At age 35, Osborne took over as Nebraska's head coach, a position he would hold for 25 years until his retirement following the.

### Vince D'Adamo

Take note that the pursuing OLB now has a poor angle as a result of the sound execution by the QB to pitch it at the very last second.

### Heart of a Husker: Tom Osborne's Nebraska Legacy by Mike Babcock

What I found interesting were the subtle changes in Osborne throughout the years. On October 16, 2007, Osborne was named interim

The Huskers trailed 10—0 after one quarter, but rallied to win 24—17. The interviewees include just about anybody with a name that you can recall. While the fifth-year coach has faced his share of criticism from a fan base desperate for success, Pelini said Osborne had shown nothing but complete support.

The book isn't about telling fantastic stories about what happened during such and such game although some are included , but about establishing what kind of person Osborne is through the eyes of his players throughout the years. Osborne saw more playing time in , starting twelve games.

Osborne defended the decision, saying that abandoning Phillips might do more harm than good.
