Mi'kmaq Landscapes: From Animism to Sacred Ecology

A missionary tells us that during an ordinary year as many as 12,000—15,000 beaver furs could be shipped to France, and during an extraordinary year as many as 22,000! When the loon cried its desolate screams, the children knew from the stories that the bird missed his master. Moments later, they were forced to leave the area. Sideris Environment and Rock Art in the Jebel Ousselat, Atlas Mountains, Tunisia Jaâfar Ben Nasr, Kevin Walsh Macrosociology.
