Temple Expiatori de la Sagrada Família

When can I visit it? Gaudí took over the Sagrada Família project when he was just 31 years old and he spent the last 12 years of his life completely devoted to his great vocation: serving God through architecture. Picture of Sagrada Família - a giant Basilica in Barcelona by Antoni Gaudí. MiAaHDL Description: 1 online resource 1 volume unpaged : illustrations some color Details: Master and use copy.

AD Classics: La Sagrada Família / Antoni Gaudí

Gaudi received an anonymous large donation in around 1890. From this inverted model he derived the necessary angles of the columns, vaults, and arches. Indeed, in the year 2000 the vaults of the central nave and of the transept were built and at the same time the work on the foundations of the Glory Façade began.

La Sagrada Família: 15 Amazing Facts You Need to Know

The steeples and most of the church's structure are to be completed by 2026, the centennial of Gaudí's death; as of a 2017 estimate, decorative elements should be complete by 2030 or 2032. This queue goes on all the way around the building extending several hundred metres long.

Barcelona's Sagrada Família: Gaudí's 'cathedral for the poor'

The doors of the Glory Façade refer to Antoni Gaudí. The doors of the Glory Façade were installed in the year 2008. It charts the styles the architect evolved during his career. The central reach forty-five metres 148 feet while the side nave vaults reach thirty metres 98 feet.

The church of La Sagrada Família (Barcelona, Spain)

Access is possible only by lift elevator and a short walk up the remainder of the steeples to the bridge between the steeples. In 1878, with his

degree in architecture in hand, he received his first official commission. Although construction has taken 129 years already, the church is nowhere from finished yet completion date currently estimated to be 2026.

Gaudi obra

Inside, the organ was being practised.
