The Series

We want to bring the best growing information to provide success to our customers and individuals interested in growing their own lavender. This is because they can collapse easily under the weight of the body. Since our farm is also our home, we require a small donation for private tours and you cut lavender to reserve your spot.

Ultimate Guide to Growing and Using Lavender

Lavender can be grown indoors under the right conditions. I am out photographing lavender fields in Washington state, photo by Helen Battersby English Lavender English Lavender or *Lavandula angustifolia*, is easy to grow here in the mid-Atlantic, if you treat it like an annual or short-lived perennial. Also, learn how to make a fragrant elegant lavender wreath from fresh lavender.
