One cannot send students back for another crack at 8th grade or high school, but must work at educating the students that are provided. The book was based upon the results of the Documenting Effective Educational Practice DEE where twenty academic institutions were surveyed for their best practices to achieve success-oriented campuses. The authors argue that these schools work to offer opportunities that are tailored to their students, creating a meaningful learning experience centered on engaged and involved students.

Student Success in College: Creating conditions that matter

Whitt is professor in the College of Education, and director of Student Success Initiatives in the Office of the Provost, at the University of Iowa. Accessories such as CD, codes, toys, may not be included.
