Here, curator Katy Norris takes us through some of the key images. The line leaves a deposit of metal in its wake known as a burr, which when printed holds a small deposit of ink and gives the drypoint line a characteristic softness of tone. It's thanks to the generosity of the Paul Mellon Centre for Studies in British Art that this vast book - which weighs half a stone - is affordable.

Sickert chose to adapt familiar motifs, including the West Front of St Jacques at dusk, which he reduced to simple outlines and strong contrasts of light and dark.

Whistler's Portraits: Ripper, Vampire, or Sickert?

The contrived profile presentation of the figure refers to Whistler's earlier portraits of Thomas Carlyle City Art Gallery, Glasgow and of his Mother Musée du Louvre, Paris , the planar presentation of the couch to Whistler's portrait of Mrs Walter Sickert of 1885-86; with such references in mind, the shaving mirror is an awkward intrusion, the gesture of the sitter awkwardly histrionic. From his mother's father he clearly absorbed genetically a character of much energy and considerable eccentricity. An exhibition at Pallant House, Chichester, explores the influence of the French city of Dieppe on British artist Walter Sickert 1860-1942.
