Figueroa Press

This book is a comprehensive study of English and American consumers and consumption before industrialization and mass urbanization.

Freedom and Work in Pre

At first they formed associations of people of the same trade just as they had in Europe for centuries. However, the slaveholding class used their power to create laws and customs that would prevent the enslaved from organizing themselves into movements through which they could bargain to improve their conditions.

The pre

The sudden proliferation of shops and their relationship to market towns and peddling is also treated in depth. Known as guilds, these organizations existed to protect interests of members and maintain the standards of their profession. Our online platform, Wiley Online Library [wileyonlinelibrary](#).

The pre

Angered by reductions in their wages, journeymen tailors in New York protested by refusing to work-striking-in 1768, marking the first recorded strike in the colonies.
