Alaska School Records

Hunted on Ice: The Search for Alaskan Serial Killer Robert Hansen. Thomas flew for research and documentary purposes in Alaska, as well participating in mountain rescues on Denali and in the Alaska Range. Approximately 1,000 new documents are recorded and added to the record each day.

Aircraft Accident Reports

Thomas also helped create the Thomas Planetarium at the Anchorage Museum, a ski training facility now called the Thomas Training Center on Eagle Glacier near Girdwood, and the Thomas Center, which is an independent senior living facility of St. Air traffic control installations, facilities, and equipment, 1934-46 A, R, and RTAT; 2,826 images.

1970 Census

Processing information: This collection was arranged and described by Jeffrey A.

How an Anchorage century leaps back to life from a searchable database

The two most recent being the arrest of Steven H. Digitized copies: This collection has not been digitized.
