## For Lovers of God Everywhere: Poems of the Christian Mystics

Everyone seems to move in all directions at the same time, no one stays in lanes, no one ever stops or waits, everyone keeps moving, finding the empty spaces wherever they happen to be, moving around each other, around cows, horse carts, bicycles, pedestrians.

Every entity — , , , and has a composer function. Four weeks of this from my hotel room has undoubtedly taken its toll and influenced my perception of Brasilia.

## Transcontinental Music Holiness Everywhere (Based on a Medieval Jewish Poem by Yehudah Halevi) SATB composed by Curtis Bryant

The city of Delhi is like an enormous acoustic quilt of intricately woven patterns, not dissimilar to the ornaments one can find everywhere, in fabric, architecture, pottery, etc. They rarely shout get-out- of-the-way. Some of my friends have no idea the best way to play one word of sheet music and have relied entirely on their effectively developed ability to play by ear.

Architect Oscar Niemeyer designed most buildings and Burle Marx was the landscape architect. When I try to cross the street later I think I

understand: the traffic is in a state of complete chaos.

Many of these areas were designed during the British Raj by architects Sir Edwin Lutyens, and Sir Herbert Baker. They would perhaps home in on some characteristic of the dead person thus giving themselves an air of authority and authenticity. Now Delhi is, like Brasilia, the seat of the national government and has been since 1912, when the British Raj moved it from Calcutta to New Delhi.
