Ferdinand Magellan (railcar)

Magellan landed on the island of Homonhon and befriended the chieftains of Limasawa. That caused the captain to fall face downward, when immediately they rushed upon him with iron and bamboo spears and with their cutlasses, until they killed our mirror, our light, our comfort, and our true guide.

Navigator Ferdinand Magellan killed in the Philippines

Magellan knew that the world was round but underestimated its size, thinking that the Moluccas must be situated just west of the American continent, not on the other side of a great uncharted ocean.

Ferdinand Magellan

Ai me pesë anije dhe 265 anëtarë të ekuipazhit, më 20 shtator 1519 niset prej limanit San Lukar në grykëderdhjen e lumit Guadalkivir kah perëndimi në drejtim të Amerikës Jugore. After taking a leave without permission, Magellan fell out of favour. His slave, however, might have completed an around-the-world circuit.

Biography of Ferdinand Magellan, Portuguese Explorer

His letters to Magellan would prove decisive, giving information about the spice-producing territories.

Ferdinand Magellan (railcar)

The voyage proceeded along the coast of South America and on December 18th headed west into the Pacific. The Cebuan king became Christian, and sought to fight against a neighboring group, the Mactan, who did not convert.

Ferdinand Magellan

The single line traces his long, continuous voyage from Spain to the Philippines.
