### Docklands Light Railway: Official Handbook. Bob Bayman & Stephen Jolly

In January 2013 Serco's contract was extended until September 2014. Tickets can be purchased from ticket machines at the entrance to the platforms, and are required before entering the platform. The Mayor's Transport Strategy stated that the Mayor, through Transport for London, would investigate the feasibility of the extension to Dagenham Dock as part of the housing proposals for.

The line was formally opened by on 30 July 1987, and passenger services began on 31 August. The railway was built for single-car operation, and the upgrade required both strengthening viaducts to take heavier trains and lengthening many pre-extension platforms which were not originally built to take three-car trains.
