John Smith's

There are still leftists who ascribe to conspiracy theories — the anti-vaccine movement, for instance, is concentrated in left-leaning areas. AP The newly elected Ukrainian president - a former comic actor best known for playing a man who becomes president by accident - is seen frantically agreeing with Trump in the partial transcript of their July phone call released by the White House.

'QAnon' conspiracy theory creeps into mainstream politics

While most QAnon followers will not engage in violence, many already have, or have attempted to, which is why the FBI has identified the movement as a potential domestic terror threat. The right-wing propaganda machine never really found its footing with him.
