## The Miracle of Theism: Arguments For and Against the Existence of God

This alone - regardless of your tendencies - makes the book worth reading. Jul 08, Grasped in Thought rated it really liked it.

As a Christian, I have been tired of the neo-Atheist movement and its caustic rhetoric. This book was short but dense and thorough, I had to read it slowly. It should be noted that this book is first and foremost an academic treatment of atheism and theism.
