Ras Mohammed National Park Diving The biggest draw of Ras Mohammed National Park is its unspoiled natural beauty and its diversity of habitats. In 2010, the library received a donation of 500,000 books from the BnF. The route was extended through to in after World War I, to in 1942 and became a vital part of the wartime supply route for Egypt.

Bibliotheca Alexandrina

Historically, the main line linked East with and. But knowledge should be well rounded.
