Reading, Translating, Rewriting

The play between revelation and concealment, the language precision and the unflinching end-of-life gaze transform these texts into powerfully moving, and often surprising, poems.

Syllabus for Introduction to Literary Criticism and Theory II

Yet their reflections on non-reading and re-reading also reveal structural similarities, showing re-reading and not-reading to be part of the same paradigm. The remaining chapters build on part one's groundwork to explore more fully the notion of lexical poetics. There is a lot of plot summary in this particular article, there does not seem to be a very consistent flow to it, and it does not always connect to the thesis presented.

Any unexcused late work will be automatically lowered one full letter grade for every day that it is late e. In this sense, his work is akin to Calinescu's: both approach the question of reading from the perspective of a deviation from a presupposed norm. The Guinevere section, though a bit scant, identifies three 'Guineveres' in the text and their importance in the story.
