The Peloponnesian War

Text Text on this page is printable and can be used according to our. After the meeting, the Spartans asked everyone to leave so they could discussion the decision to move forward with the war in private.

Causes Of the Peloponnesian War

After the war was over, Corcyraean fleets started to badger Corinthian cities and their allies by starting fires and disposing waste on their land.

The Peloponnesian War

During the subsequent , the Corinthians unofficially aided Potidaea by sneaking contingents of men into the besieged city to help defend it. Ancient Greek politics, philosophy, art and scientific achievements greatly influenced Western civilizations today. In the spring of 431 bce the city-state of Thebes, an ally of Sparta, attacked Plataea, an ally of Athens.

Causes Of the Peloponnesian War

Corcyraeans denied aid and assistance to Epidamnus, forcing Epidamnus to seek aid from the Corinthians. One of these posts was near on a tiny island called , where the course of the first war turned in Athens's favour.
