## Biography: Sebastião Salgado

In 1990, Salgado published the book An Uncertain Grace. Salgado works on long term, self-assigned projects many of which have been published as books: The Other Americas, Sahel, Workers, Migrations, and Genesis.

## Sebastião Salgado. Could Leica have employed a better ambassador?

He is particularly noted for his social documentary photography of workers in less developed nations.

## Sebastião Salgado Photographer

He chose to abandon a career as an economist and switched to photography in 1973, working initially on news assignments before veering more towards documentary-type work. It consists of a series of photographs of landscapes and wildlife, as well as of human communities. So I came with all of that in my head, and my photography is that.

## Sebastião Salgado Photographer

For the International Coffee Organization, he worked as an economist frequently visiting Africa on World Bank missions. I have to wait for history to say whether they are or are not.
