Urbanisation and Urban Development in Nigeria I Infographic

It is a process of ensuring that the poorer section of the population has some share in the fruit of the economic activity. One of the pioneering decisions for that time was granting of agricultural credits to the owner of small-scale businesses in rural areas. Without the vigilante groups, their exposure to insecurity would be far worse.

Rural development in Nigeria since independence ▷ Legit.ng

The primary goal of the agency was increasing staple food production through promotion of the small-scale farmers in rural areas of the country.

Because there exist a strong interrelationship between agriculture and rural development. Planning and Statistics Department vi.

Urbanisation and Urban Development in Nigeria I Infographic

According to the World Bank, in 1960 85% of Nigerians lived in rural areas. The vigilantes in several cases have not been able to protect residents from attacks but they have been a deterrent and are their only reliable defence. By 1900, the town had more than doubled its size, and by the

middle of the 20th century, the city of Plano was flourishing.
