Leonard C. Lewin, The Functions of War (1967)

The defensive line established at the end of October was still being maintained across the Italian front and meanwhile preparations were being made for the resumption of the offensive by the Allied Forces in Italy.

Minturno To the Appennines

There will be occasion to refer to the good work of the other two officers later. As long and bitter and sustained as the battle for Monterenzio had been, there was more to come.

The Atomic Bomb and the End of World War II: A Collection of Primary Sources

Smaller gatherings took place at hospitals, and footage was recut for different local audiences. The explanation is to be found, in part, in the conceptions of financial policy which were then prevalent.

HyperWar: British War Economy [Chapter II]

Small numbers of American soldiers, however, began to enter combat under the American flag in May and June.

The Atomic Bomb and the End of World War II: A Collection of Primary Sources

In Russia the borders closed to imports as the country entered the war.
