Education Governance Review Report

This conference looked at the impact of a slowing housing market on local government.

Infrastructure Bill [Lords]: 8 Dec 2014: House of Commons debates

The Conference discussed the two topics on the programme — University Autonomy and Academic Freedom, introduced by Dr.

DISCUSSION One major topic of discussion was the nature of university education. We will also examine the important relationship between UK research growth and stimulating economic growth, and engagement with the public. The Bill also includes a number of changes to the planning regime, none of which seem to go anywhere near addressing the housing crisis facing Britain today.
