1551 POPE PIUS II OPERA QUAE EXTANT OMNIA with 19 Maps from Cosmographia Munster

The article closes with a review of the work in recent years of the publishers devoted to the edition of classical texts: the irregular Budé, the Bibliotheca Teubneriana with its ample apparatus critici, Oxford Classical Texts with their selective critical apparatuses, the variety of publishers in Italy and the dearth of critical editions in North America. Post hec Franciscus in Lombardiam se recepit, ubi eum Philippus dux magnifice honoravit titulumque domus sue Vicecomitum et arma tradidit; filiam quoque unicam, nomine Blancham, quamvis illegitimam, in matrimonium promisit; qua spe sepe eum frustratus est. Cum duce Mediolani et Nicolao Picenino magni tractatus habiti sunt.

Populi passim relictis urbibus in agros migravere, et facta est 10 publica penitentia viris ac mulieribus iejunio et verberibus sese macerantibus. Neque procul a Cumis, cum flumen aliud prope litus maris transituri essent, navis, que famulos vehebat, cum nimium oneris accepisset, evoluta homines et equos in fundum proiecit; sed viri funem quandam manu 45 tenentes, equi nantes evasere. Post assumptionem autem Felicis cardinalis ab eo creatus Basileam rediit acerque pugnator pro concilio fuit missusque Francfordiam disputationes magnas habuit magna causa fuit, ne tunc electores pro Eugenio se declararent.

Nec barbam malis nec corpore tegmen habebat Nudus terga, manus, pectora, crura, pedes. Qui cum sue patrie tyrannidem invasisset, complures Umbriae civitates sibi subiecit; ad ultimum cum Aquilam Marsorum urbem quatuordecim mensibus obsedisset, ab exercitu Martini pontificis prelio superatus, captus atque occisus est - non sine gloria Francisci 15 Sforiae, qui turn primum genitore mortuo exercitum ductare cooperat.

E. S. Piccolomini et les Turcs : l'Europe face à son ennemi

Post hec Philippus Mediolanensium tyrannus audita hominis fama preponere suis eum exercitibus voluit, quinque milia equitum sub stipendio sibi tenere et annis singulis centum milia ultra stipendum dare.
