FREDEGAR CHRONICLE PDF

In both codices the text of Fredegar ends at precisely the same point and in mid sentence.

Fredegar

In the compilation as we have it these two texts stand side by side, with no trace of an Isidoran section between them. However, I will assert that is up to Wallace-Hadrill's usual standard of excellence, a clear and readable translation with useful and thorough notes, of an interesting and lively historical document.

The Fourth Book of the Chronicle of Fredegar: With Its Continuations. by J.M. Wallace

The similarities and the differences in the headings and the structure they imply between on the one hand the Paris codex, the only complete manuscript of what Krusch designated as Class One, and on the other hand the five extant manuscripts that belong to his Classes Two and Three, might lead to the following conclusions. In some cases the additional material added could be substantial in size, but no headings or references are given to indicate that different sources are being used. Vitae sanctorum in Latin , Hannover:

The fourth book of the Chronicle of Fredegar with its continuations (1960 edition)

While of limited use to those of us not schooled in medieval Latin, it is still pretty interesting to trace the Latin using the English.

Chronicle of Fredegar

A number of the confusions and difficulties, especially on the editorial side, can best be resolved by adopting such an approach .

CHRONICLE OF FREDEGAR PDF

The remaining chapters contains extracts from the. I have underlines all over his chronicle so I might one day add a few things to this and annotate it all better but here at least is a fairly thorough review of a book largely forgotten to time and of some interest.
