## Political Communication

Morgenthau, Politics Among Nations: The Struggle. Elliott 'territorial sovereignty or the Superiority of state overall within its boundaries and complete freedom from external control has been a fundamental principle of the modern state life'. It originated as a popular marching tune for an emergent Nazi movement, as a song of protest and mobilization.

## Politics and Political Science: Key Terms

Current political circumstances, especially the rise of nationalist and populist movements across the globe, speak to the importance of robust public debate among citizens.

## social contract

Nations following the status quo policy utilize power to preserve the new shift in the balance of power.

## Revolution

The existentialists spend more time on specifying the characteristics of what they regard as politically developed systems and the conditions and processes which give rise to them. Arendt sought to understand the rise of this unprecedented form of government, and to defend public debate against threats to its existence. Journal of Personality and Social Psychology, 31, 216-223.

## Michel Foucault: Biopolitics and Biopower

Until 1982, the Department of Information and Broadcasting DIB was responsible for the only national daily newspaper, the only national radio station Radio Botswana, RB , and the national press agency BOPA. Both of these actions involve interpretation. In politics, crowdsourcing has been used in government consultations as well as investigations into government fraud.
