## The Klondike Stampede, Part I

From here, it followed a river to the Yukon, where it met the Dyea and Skagway route at a point halfway to the Klondike. Michael, a town of clapboard buildings and shanties at the mouth of the Yukon River, and then some 1,600 miles up the Yukon to Dawson City at the confluence of the Yukon and Klondike rivers.

## The Klondike Stampede, Part I

Hän women had relatively little contact with the white immigrants, however, and there was a significant social divide between local Hän women and white women. He has received numerous honorary degrees and served as the Chancellor of Yukon College.

## Stampede for Gold: The Story of the Klondike Rush

In 1897, some 1,800 travellers attempted this route but the vast majority were caught along the river when the region iced over in October. Henderson told Carmack about his strike and urged him to get up to Gold Bottom Creek and stake a claim. Victoria, Canada: Horsdal and Schubart.

## Stampede: Gold Fever and Disaster in the Klondike by Brian Castner, Hardcover

Finding the gold was challenging. Soapy Smith, who had mastered the art of organized crime across the American West in previous decades, seized control of Skagway, was shot by a vigilante, and died a poor man.

## Klondike Gold Rush

The possibility that a new creek might suddenly produce gold, however, continued to tempt poorer prospectors.

## The Klondike Stampede, Part I

Many were married to miners; however, their lives as partners on the gold fields were still hard and often lonely. In the fevered chorus chanting

anthems to the Klondike, a few reed-like voices could be heard faintly counseling caution.

### **Stampede: Gold Fever and Disaster in the Klondike by Brian Castner**

He is a two-time grantee of the Pulitzer Center, and is the co-editor of The Road Ahead: Stories from the Forever War. Indeed, A good introduction to the Klondike gold rush, especially for those like me who currently know little about it.

#### **'Stampede' puts a new shine on familiar Klondike history**

Hundreds sat in the roadways, dressed in gawdy mackinaws, wide-brimmed miners' hats, iron-cleated.
