## Statesman, patriot, and general in ancient China : three Shih chi biographies of the Ch'in dynasty (255

Ancestor worship became part of Chinese culture for thousands of years. Chung Yu's citation is quoted as evidence of Han conditions by such Chinese students of law and slavery as Ch'eng Shu-te op. Thus intuiting the moral significance of events, the sage-historian delineates the Way and offers his readers a chance to become more in tune with the natural order.

Throughout the 1930s and 1940s the Yi people also known as Nuosu of China terrorized Sichuan to rob and enslave non-Nuosu including Han people. Here again there is no evidence, and in speculating it is necessary to anticipate later discussion, which shows that most private slaves were domestics performing service functions that native Chinese could do best. However the Shang were overthrown by their neighbors the Zhou about 1022 BC.

Why did those in power wish to hear from them, and what did they claim to offer in return for patronage? Is the social and economic history of that country, or of any of the periods in its development, also unintelligible without a clear picture of slavery and its function there? Using the river for a defense, China restored the Ch'in dynasty wall built by Meng Tien, and transported a hundred thousand people from the interior to populate the Shuo-fang territory, which became a new base. In mapping out this model of the world, Sima embodies the historian as sage rather than chronicler.
