## The Last Lincolns on Apple Books

Though he believed, with good reason, that Lincoln visited prostitutes as a bachelor, Herndon seems firm in his contention that he avoided illicit sexual contact after marriage. The historian also thinks that while some presidents like George H. Her stepmother bore nine children, most of whom later rebelled against the government headed by Mary's husband.

## Keeping Lincoln's Secrets

One of the interesting parts of the whole story is Mary. I think that's unusual for a news organization, but they really care about people.

## BRASS CASTLE ARTS: DEATH OF LINCOLN'S GREAT

Lamon was planning to use Herndon's material in a biography of Lincoln, but after he had a chance to look at the copy, he wrote to Herndon and complained bitterly that he couldn't be sure it was accurate without comparing it with the original. It destroyed their relationship and they didn't speak for five years. The timeline here reflects only part of the turmoil she suffered over 63 years.

## Robert Todd Lincoln Timeline

MARCH 7, 1890 Attends the funeral of his 16-year-old son Abraham Lincoln II Jack , who died in London on March 5.
