Gilding Techniques

American Association of Equine Practitioners: Newsroom

GILDING

This must be accomplished by proper training. In wild herds, the 10% ratio is largely maintained naturally, as a single stallion usually protects and breeds with a herd which is seldom larger than 10 or 12 mares, though may permit a less dominant junior stallion to live at the fringes of the herd.

Gold Leaf Company: gilder for gold leaf frames, gold leaf furniture, gold leaf artwork, gold leaf restoration.

Gilding Walls Feature Video Applying Genuine Gold leaf or Imitation Gold leaf to metal surfaces.

How to Apply Gold Leaf (with Pictures)

For interior projects This step-by-step tutorial goes through the basics on applying metal leaf using water based size.
