## On Our Own Two Feet

And if innovative enterprises have a common thread, it is that openness and assertiveness would characterize them—which, not surprisingly, engender creativity. The speedboat might be seen as all the expectations of modern life.

### Philippine Economy: Reinventing Ourselves: Standing on our own two feet

She can stick it for a little longer after all she has a reason to stay at the moment Just look at him like a smiling assassin.

### 'On our own two feet', Learning Disability Practice

When we are in direct contact with the solid surface below us, we can more easily gauge our balance while stretching and strengthening our arches, toes and heels. Utthita Hasta Padangusthasana I variation As you find your balance between the toes and heel of the standing leg, keep the outer hip of the lifted leg releasing toward the floor.

### Standing on Our Own Two Feet

When we behave like this, we are living just like the blind disciples.
