Outdoor Kitchen Ideas

Cut a rug on one of our outdoor rugs. In an outdoor kitchen, choose an easy-to-clean floor, such as this resilient tile, that is easy to sweep up and withstands outdoor messes such as cut grass and garden debris.

Outdoor Cooking

Guests can sit around the wraparound counter or in the seating area with the fireplace just to the side. The sleek black cabinet body and stainless steel door with a recessed handle make this unit a stylish addition to any space. The Cal Flame grill cover is included.

Outdoor Cooking

Wisconsin-based brought an open, Big Sky State sensibility to a new home in the Midwest for clients who moved from Montana and loved the outdoors.

Outdoor Kitchen Ideas

Changing things up with darker wood gives it a glamorous touch, but the barn-style lights and rope cabinet handles bring the flavor of country-style.

Camping Recipes

This outdoor kitchen island safely stores all that you need and doubles as a place for your guests to sit and chat as you cook. Try roasting up chicken and veggies in Campfire Foil Packets, get creative with Campfire Pepperoni Pizza, or just boil water to enjoy Backpackers' Thai Noodles. Of course, the views here are open to the pool and sky.

Outdoor Cooking

If your kitchen will be freestanding, electricity is essential to power items such as lights and outdoor kitchen appliances. This fun feature may take

up a bit of space, but once you try fresh, homemade pizza, you'll know it was worth the investment.

The Home Depot Logo

Country Chic Outdoor Kitchen with Cupboards Source: This is country with a modern twist. Outdoor Cooking Is A Breeze With the right tools, outdoor cooking becomes that much easier - and that much tastier, to boot. The wrap around counter offers guests plenty of room to talk with the cook without crowding the prep area.
