**How Slavery Affected African American Families, Freedom's Story, TeacherServe®, National Humanities Center**

Do you read French and German? How Slavery Affected African American Families Heather Andrea Williams University of North Carolina at Chapel Hill National Humanities Center Fellow ©National Humanities Center In some ways enslaved African American families very much resembled other families who lived in other times and places and under vastly different circumstances. For additional security then, women exerted their collective moral and social authority within family and kin networks, developing places to turn for alternative support.

**The Family Estate in Africa : Studies in the Role of Property in Family Structure and Lineage Continuity (2014, Trade Paperback)  
for sale online**

Note for students that because whites were not enslaved in America, the children of a white mother and enslaved father was automatically free, but in some colonies and later states, legislation punished white women and their mixed-race children by apprenticing the children until adulthood and extending the period of service for the white woman if she was an indentured servant.
