## The Fourth Industrial Revolution and Its Impact on Occupational Health and Safety, Worker's Compensation and Labor Conditions

This alienated any prominent people who did not subscribe to the views and ideology of the communists. Since, conciliation involves a good deal of persuasion and is a process of give and take helped by a third party, such adjournments become inevitable and have to be allowed.

### Australia's industrial relations timeline

The period 1947-50 witnessed some important developments having a hearing on industrial relations, apart from a basic change in the attitudes of employers and workers.

### California Department of Industrial Relations

Under the Mughal rule, the industrial environments were directly controlled by the rulers and relations in the industry were based on the whims and fancies of the rulers. The significant changes brought about by industrial revolution are listed below:

## Chapter 9. WORKERS' COMPENSATION, Title 34. LABOR AND INDUSTRIAL RELATIONS, GEORGIA CODE

To establish a proper channel of communication between workers and management. Of these, the number of workers involved in the public sector comes to 8.
