Microsoft Office Small Business

Skype The Home license gives the users access to 60 minutes each of Skype time. When you update your domain's MX record, all new email for anyone who uses your domain will now come to Microsoft 365.

Microsoft 365 Business Voice service description

You can have a look at both the paid and free options, measure the necessary parameters before making the final decision.

Microsoft 365 Business Basic

Each person can install Office on all their devices and be signed in to five at the same time. Office for business If your subscription plan includes the desktop version of the Office apps you won't see an option to install it unless someone in your organization assigned a license to you. Multiple versions have become available as well, including new and improved desktop apps, as well as mobile apps and a web-based alternative for both Windows and Mac users.

Buy Office Home & Business 2019
