So, the only key containing one flat would be F.. Most distinctively, though, she insisted on very short practice times for beginners, as little as five minutes at a stretch three or four times a day for absolute beginners.

E can be found by moving four spaces down. Go back to the C major scale and look at the fourth degree. .

## Source Readings in Music History

An argument could be made that unison is not an interval but since it is possible to play, you could also say it is. There is much to suggest that this bundle of at least three hypotheses needs to be reconsidered and disentangled in favor of alternative pictures: to consider elements concerning conceptual history, history of theory, and histories of compositional practices separately opens new perspectives on the simultaneity of the alleged non-simultaneous. .
