## Maps

The community is divided over the appropriateness of certain tactics p. The Ontario Northland Transportation Commission operates as an Operational Enterprise Agency of the Province. In a report last month, the parliamentary budget office said that federal funding for off-reserve Indigenous households over the next 10 years amounted to half of what had been provided in the previous decade.

## Indigenous business coalition leader says Keystone XL denial will hurt communities

While this may raise equity concerns, we did hear that many unincorporated area representatives are comfortable with this arrangement.

## Estimates Briefing Book 2017

Business Development and Support The Business Development and Support program promotes and delivers programs, services and funding to assist business start-ups, expansions, inward investment, trade, and innovation efforts. Through the program, Ontario has rehabilitated a total of more than 80 of the highest priority abandoned mine sites in the province. If you cannot view the PDF maps and would like to obtain a copy, please.

## Indigenous Services Canada

Ideally, this paper would be more community-led to avoid further misrepresentation of the community.

## Mercury Poisoning in Grassy Narrows: Environmental Injustice, Colonialism, and Capitalist Expansion in Canada

There may be a list of major communities, author's decision as well as of course the municipalities on a said county page, but minor communities

should be listed under its municipality page. List of upper-tier municipalities in Ontario Name Municipal sub-type Population 2016 Population 2011 Change Land area km<sup>2</sup> Population density County 66,491 64,709 +2. .

## **11 in Northeastern Ontario still among the missing, say OPP**

Saskatchewan has two northern towns.

### **Long Lake 58 First Nation**

Average number of persons in private households 4. One person or fewer per room 175. Funding can also help smaller projects with potential to expand to multiple communities or expand province wide.

### **Bob Joseph: Why the Indian Act must go and Canada will be better for it**

As part of the consultations, Ministry staff visited eight communities in a range of unincorporated areas across the North. A relational conception of genocide. Key to the success of the AFI model is that each AFI is First Nation, Inuit or Metis-controlled, which keeps decision-making close to the communities and the people served.
