## Housing and Health: Unlocking Opportunity

Accurate national data regarding wait times, wait lists and the number of households in need of subsidized housing are not available.

## 'Unfit for humans': City hall slow to act on substandard housing, agency says

Additionally, they provide the only not-for-profit social housing in Regent Park. Accurate data, including the number and demographics of households waiting for subsidized housing in Canada is needed to implement and assess the national housing strategy.

## Seven provinces sign up for Canada Housing Benefit, documents show

Crime Rate — It is obvious that a high crime rate is a major sign of a bad housing market.

## SA.GOV.AU

Since 2019, , a workshop group that explores issues through creative arts and media production with young women from the neighbourhood, partnered with Dr.
