English majors may take ENGL 105 concurrently. Research methods and critical theories applied to individual projects on intersections of creative texts, rhetorical analyses, pedagogy, social movements, intellectual history, and cultural traditions. Although it may sound trite, I have had reading experiences that taught me more about what it means to live in this world.

Why Our Students Study Literature

Discussion and written analysis of literature by and about women. Poetry often has the reputation of being an abstract and complicated form of expression, guarded by the pretentious elite.
