Lire le Capital book by Louis Althusser

» La manufacture nécessite donc que l'ordre soit maintenu, car les risques d'indiscipline de la part des travailleurs sont grands. Pour augmenter la part de surtravail non payé, le capitaliste dispose de deux moyens, soit en allongeant la journée de travail, ou en augmentant l'intensité du travail.

Halle Capital

Your pdf to please this file highlights set created. Louis Althusser, L'objet du « Capital » I. Le changement de typologie fut interprété à tort comme un changement de plan.

Lire le Capital IV, Roger Establet, Pierre Macherey, 1973

In classically French style, the iconoclastic force of its content is dissimulated by its sober, clinical language.
