## **Biography of William Shakespeare**

Meanwhile Shakespeare was gaining personal esteem outside the circles of actors and men of letters. And just as in science, analysis for the moment has yielded pride of place to synthesis, so the critical movement in literature has in our time become creative. Get thee gone, but do it.

## **Biography of William Shakespeare**

I am as like to call thee so again, To spit on thee again, to spurn thee too.

## **Biography of William Shakespeare**

But as soon as he learns that his friends are dead he breaks out in a long lament for them which ranges over everything from worms to kings, and in its melancholy pessimism is the prototype of those meditations which Shakespeare has put in the mouth of nearly all his favourite characters.

## **Shakespeare's Schooling and Early Years**

Most of the new passages in the second recension seem assignable to Shakespeare alone, but a few suggest a partnership resembling that of the first revision.
