### Dorset Young Farmers

The internationally-recognised Green Flag is this highest award and symbolises excellence in environmental action and learning. Lack of trained leadership and ill-advised expenditures militated against the success of the project, but these factors were not irremediable. As the press reports of the time make clear, Before the families of the settlers moved to Woodbine, the men built the houses and prepared everything for the final settlement.

### Jewish agricultural utopias in America, 1880

But the Jewish new comers were adamant, and Frey, together with Maria, and with his mistress Lydia Eichoff, settled at New Odessa. Then, in January 1893, when the leases which the original contracts called for were presented, only two of the sixty farmers signed.

### Ulster's country youth: The first fifty years of the Young Farmers' Clubs of Ulster by Blair, S. Alexander: Very Good (1978)

It should not be difficult to convince you how almost insurmountable were the obstacles they had to contend with and it is surprising that they did not lose heart. Unfortunately, the tensions and instabilities plaguing the empire made it impossible for the czarist government to adopt a consistently intelligent and humane policy on this question.

### Young farmers' club first to fly prestigious Green Flag award

A German farmer was hired as an agricultural adviser, but since he would come only once or twice a week, his instruction proved of limited value.

### **Armour, James Brown**

This, the first colony established in South Jersey, has not had the success which has crowned the colony at Woodbine, but it must be remembered that Alliance has not had hitherto, the benefit of large appropriations from the Baron de Hirsch Fund as have been given to the people of Woodbine.

### **Dorset Young Farmers**

The pioneer of Palestine who desired to rebuild the homeland through agriculture, and especially through agricultural colonies, had that real as well as apparent choice which was denied the American immigrant. Estimates of the extent of the Sicily Island acquisition vary.
