In all that fell within the proper sphere of his own researches, he never rested upon the authority of others, but investigated for himself, with all the minute accuracy and closeness of detail and unwearyed industry for which German learning is celebrated. This is a reproduction of a book

published before 1923. Es orientiert sich keinesfalls am chronologisches Lernen geschweige denn an einem Referenzrahmen für Sprachen, wie heute verwendet wird , sondern erörtert die grammatischen Themen themenspezifisch.
